Minutes (Angela Cloyd)

- 1) Tammy Hogan shared with the Council on this past weekend's President's Retreat. The President's Retreat 4M match was met.
- 2) Prayer requests and prayer, Chris Kiesling.
- 3) Jay Mansur reviewed the purpose of the President's Council. It was originally stated to improve the bilateral communication between the cabinet and the community (faculty and staff). But would like to extend the vision to move to a healthier model of shared governance.
The President's Council will convene twice a semester but can meet more often if and when requested or needed.
- 4) Ruth Anne Reese shared with the Council items for discussion. Chris Kiesling concluded with three additional items and detailed in the attachment. It was additionally added to have a clear definition of what shared governance is and have the same definition across the campus.
- 5) Barbara Antrobus and Robin Ferraro shared with the council the Staff Councils involvement with the BCW Survey over the year. Also Community events and concluded with questions for the cabinet in regards to the Council, attached.
It was asked if the EVP would be attending every staff council meeting. The EVP will attend when invited. The Staff Council will continue to report to Bryan Blankenship.
- 6) Colby Burke reviewed the status of the Action Plan and reviewed areas of Focus and Next Steps. Colby shared the template that will be used by each project team. The council brainstormed together on how information is presented, multiplicity of voices, understanding department budgets and sharing of information with and from the board. Colby made notes and will be sharing them to the council.
- 7) Bryan Blankenship shared with the Council the preliminary Healthy Insurance Payroll Deductions that will be coming in the fall. Offered to the council that if anyone would like to sit in on the process they are welcome too.
- 8) Jay Mansur closed the meeting with prayer.
