

Spiritual Formation & Sanctification

Spiritual Journey: Design a spiritual healing and renewal experience for the Asbury community. Included is a rethinking of the chapel strategy.

Team: Abi Sipe, Chriss Rooney, Fred Long, Jessica LaGrone, Kylie McCormick, Matt Barnes, Russel Hall

#	Action Steps	Person (s) Responsible	Complete by Date	Notes
1	Organize a day of prayer and fasting, including a space for come-and-go prayer throughout the day, a special chapel with focused involvement of faculty and staff, and options for those who aren't in Wilmore. The purpose is for us to be in one accord, praying for the health and healing of the ATS community.	Project Team	5-Dec	20 or so came to designated prayer space with 35 staff and faculty attending Chapel. Several reports of impact shared: "The Spirit was active...likely we will need more such days this spring and summer" "seeing staff members praying together was moving to me personally" and "KUDOS to the Formation Team for supporting our faculty and staff"
2	Run at least one Healing Community group for residential staff/faculty in January. Options for non-Wilmore staff/faculty to be offered as well.	Kylie McCormick, Tracey Farrell, Matt Barnes	31-Jan	
3	Find a creative way to communicate to faculty and staff that individualized pastoral care and prayer is available for them, along with mental health counseling referrals as needed.	Global and Community Formation, Jessica LaGrone, Matt Barnes	31-Jan	
4	Run at least one staff and faculty focus group regarding Chapel where the content of Chapel as well as communication about Chapel will be addressed.	Jessica LaGrone, Matt Barnes	31-Mar
